

Hope Rod & Gun Club

RANGE TARGETS

Members may utilize approved club targets only as follows:

- Paper
- Core plastic board
- Plastic
- Tin cans
- Min. distance all targets: 25 feet

Minimum distance for steel targets is subject to club sanctioned practices or events.

Members are reminded to shoot down range only, not to the sides or any structure, and to cleanup and remove their targets prior to leaving the range.

No unauthorized targets permitted.

Any members found using unauthorized targets will be subject to suspension and/or have their membership terminated.
